We at J.R.'s care about each and every customer and the quality of the food we serve. We start off with only the meatiest ribs and the plumpest chickens, hand rubbing each one with our secret blend of spices. We pit smoke them nice and slow, using only aged pecan and hickory wood until they're done to moist perfection. It's these differences that make our food special. Just like our customers. It's the J.R.'s difference..
